Click here for the **PEAK QUEENS COURT SHEET**

Welcome to PEAK Queens Court, where friendships matter first, Pickleball second. This is our motto! We are excited for you to play with us.
Queens Court is a competitive and social group where we keep track of our wins and points. We are ranked among those we play with so we continue to play at our skill level. We've been playing outdoor for five years and indoor for three years. We are excited to join PEAK!

Please make sure you are **registered on Peak's app.** Only those registered at Peak will be able to play on the sheet. Winners from our outside Queens Court get one free event at Peak.

We play on Mondays at 9am-11am starting in October and go through April. We play a tournament at the end of the season with all our QC winners from all the clubs.

Please do the following before:

1. Download the google sheets app HERE. The sheet works so much better in the app. After doing so click on the link at the top to open the PEAK Queens Court Pickleball sheet.

2. On the sign up tab, scroll to the bottom and add your name to the list.

3. On the check in tab, check the box next to your name on the date you are playing. To the right of your name will show what court you are on.

4. On the day you play, When you show up to the courts go back into the sheet and click the yellow box that will appear next to your name. That box will assign your name to a court.

You are ready to start playing!

There are people playing with and around you who are familiar with the sheet and can help you with scoring and any other questions you may have.

None of the Queens Court games go into DUPR! However, if you have a high DUPR rating, let me know and I can start you on a higher court.

Sign up on our GroupMe HERE to receive any updates with the club Queens Court. I will also post our QC winner and ranking updates each time we play on this GroupMe.

In the Summer we play outside at Wardle. Click HERE if you would like to learn more about how Queens Court works and other answers to common questions.

Feel free to also contact me with any questions. Kim Anselmo (602) 350-8449.
Thank You!
